80/20 USA Member Pledge

Members are committed to 1. Keeping as much manufacturing of products in the USA as possible, 2. Offering employees an opportunity to make a living wage, 3. Respecting all 80/20 USA Members regardless if their products are considered competitive.

Print Name _____ Sign _____ Date _____

By signing you agree that you have filled in all information as accurately as possible, included all known suppliers for each product, and to the best of your knowledge believe your product would qualify as "American Made". If you manufacture products in your own facilities, please note it on one of the "Supplier" lines. 80/20 USA is not responsible for (intentional or unintentional) inaccurate claims and information provided by your company and suppliers. 80/20 USA certification does not supersede requirements and terms of the Federal Trade Commission, nor is 80/20 USA responsible for improper use of our logo or an American Made claim on a product or product tag.
